1) The on - ly con - stant in our lives is change,
2) Al - though we try to map the road a - head,
3) As sure as day - light da - pples in - to dream,

A7 Dm B^b F

The light and land - scape shift from day to day,
The real world turns our ar - rows in - to arcs,
And dawn is birthed with - in the realm of night,

Gm Dm B^b

In spite of all those gar - dens we ar - range,
That take us where we need to go in - stead,
The flow of life will car - ry us down - stream,
