

I Held The Planets In My Hand

K.L.Patton / E.M.Bachelder

I held the pla-nets in my hand, The sun u - pon my fore-head burned, The
For I had gone yet ne - ver far, For in the stars there was my name, I
The far-ther from the homes of all, I wandered, I found them the more; And
Go on your jour-neys where you may, And tra - vel sea and land and air; Then

5

moon was cool a - mong my hair, And earth held still 'til I re - turned.
tra - versed a - ve - nues of sun, There where I left was where I came.
where the void and space ex-pand, I found the thresh-old of my door.
when you pause, And where you love, Will be your tem - ple and your stair.
